

Weekly Outlook

Parties abound this week in NYC, as some return from the massive Art Basel. Smack Mellon is hosting their "Summer Solstice Backyard Party". The Invisible Dog invites us to "The People to Come". A "Founder's Farwell Lu'au" will be in full swing, hosted by The City reliquary Museum and Civic Organization. Fourth Art's Block is hosting "The Blind Pig". And lastly the Riis Settlement invites everyone to join them for "Farewell Mr. Newlin" but don't let him know, it's a surprise.

RAW Brooklyn is kicking off its art fair, "KALEIDOCOPE".
